CHARGERS AND BRACKETS

229041-000

Charger with Retrofit Adapter

Charger with retrofit adapter for MF4Te charger enables users of MF4Te charging brackets to use existing adapter installations for both legacy MF and RP Series. Regional power supply needs to be ordered separately.).

229042-000

Charger with Single Wall Adapter Kit

Single printer settlement room or a depot mounting bracket enables a single charger to be mounted on the wall or as a desktop application. The printer may be charged in an organized manner with the charging dock removed from busy work areas. Available for both RP2 and RP4 mobile printers. Regional power supply needs to be ordered separately.

229045-000

RP2 Vehicle-Mounted Bracket Charger

An optional accessory designed to both charge the printer as well as keep it secure, yet easily accessible, on a forklift or other vehicle. To charge the printer in a vehicle, we have the following power supply options:

510116-001 – Lighter receptacle adapter

220282-000 – 12 V power converter, 48 V to 60 V forklift

229044-000

RP4 Vehicle-Mounted Bracket Charger

An optional accessory designed to both charge the printer as well as keep it secure, yet easily accessible, on a forklift or other vehicle. To charge the printer in a vehicle, we have the following power supply options:

510116-001 – Lighter receptacle adapter

220282-000 – 12 V power converter, 48 V to 60 V forklift

229043-000

Settlement Room Mounting/Charging Bracket

Multi-charger settlement room or a depot mounting bracket enables up to five RP printers to be mounted on the wall or as a desktop application. They may be charged in an organized manner with the charging dock. Power supply is integrated; only a regional power cord needs to be ordered.

220540-000

Four-Bay Smart Battery Charger

The four-bay battery charger is a compact charger used to charge RP Series 4-cell and 2-cell battery packs. This enables the workforce to have charged batteries ready for a full fleet of products. Power supply is not included. Please order 50121667-001 separately.

RP2-QD-0

Four-Bay Charging Dock

The four-bay charging dock charges up to four RP2 mobile printers. Power supply is included.

IEC C13 power cord must be ordered separately.

RP4-QD-0

Four-Bay Charging Dock

The four-bay charging dock charges up to four RP4 mobile printers. Power supply is included.

IEC C13 power cord must be ordered separately.

BATTERY PACKS

50133975-001

RP2 Spare Battery

Battery for RP2 printer.

50138010-001

RP4 Spare Battery

Battery for RP4 printer.

211288-000

RP2 Battery Eliminator

For tabletop applications where the printer does not need a battery, use a battery eliminator accessory.

211289-100

RP4 Battery Eliminator

For tabletop applications where the printer does not need a battery, use a battery eliminator accessory.

CASES

50134863-001

RP2 Environmental Soft Case

Thermal soft case used in harsher environments to provide dust and cold protection. Shoulder strap is not included. Please order 210302-000 separately.

750336-000

RP4 Environmental Soft Case

Thermal soft case used in harsher environments to provide dust and cold protection. Shoulder strap is not included. Please order 210302-000 separately.

MISCELLANEOUS ACCESSORIES

280797-000
